

On October 18, 2017, The University of Nairobi, Kisumu Campus conducted a staff training on Online Staff Performance Appraisal system to all the Academic and Non-Academic staff. In his opening speech, Dr. Vincent Machuki, The Director - Kisumu Campus explained that the University require all the staff to undertake the 2016/2017 performance appraisal exercise online, he further explained that the Campus is equally committed to adhere to this appraisal requirement in order to achieve the set target in the FY2017/2018 Performance Contract hence urged members to take the training serious and internalize the concept. The training was therefore organized with a view to equipping and enhancing staff, at all levels, with skills for carrying out the staff performance appraisal online at the Campus.

The training facilitated by the Kisumu Campus ICT team, coordinated by Michael M. Mboya, the ICT Officer-in-charge, who took staff through various modules of the system starting from setting departmental objectives through to how top management gives their comment.
